

Get A Withdrawal Card When You Leave Your Job

Be sure you request a withdrawal card when being laid-off, going leave of absence, lengthy medical leave, or terminating your employment. All initiation fees and back dues must be paid before the withdrawal card is issued.

It is your responsibility to obtain a withdrawal card, so please take care of it as soon as possible after leaving the company so that you will not be obligated to pay extra dues. Failure to request a withdrawal card may cause you to pay back dues.
