Re: Collective Bargaining Agreement Extension

Dear Teamsters/Ascension Genesys RN:

This notice is an update to inform you that RN negotiations took place on September 10 and September 15, 2020, and that the RN contract negotiations are still in progress and our current contract extension remains in place.

Please be assured, all rates, terms and provisions of the current Collective Bargaining Agreement will remain in effect until further notice and are retroactive to May 9, 2020. We are scheduled to meet again throughout the months of September and October, if necessary.

Forthcoming, union meetings will be scheduled for all bargaining unit nurses to vote on a tentative contract agreement, or if necessary, scheduled union meetings for concerns, issues or next steps. The RN Negotiation Team will continue to keep you apprised.

In Solidarity,

Nina Bugbee, RN
President, Teamsters Union Local 332
Director, IBT Health Care Division

Chris Cates, RN
Secretary/Treasurer
Business Agent

Kelly Rivera-Craine, RN
Recording Secretary
Benefit Steward
