

A Voice For McLaren Lapeer Techs!

Vote **Yes for Teamsters Union!**

“My Union has fought for an increase in my wages, benefits and staffing. They have ensured that my employer follows the language that has been laid out in our Collective Bargaining Agreement”

- Nick Pennell

“Teamsters Local 332 has given me a voice. They have made it possible for me to express when I am treated poorly and are able to help in the process to get fair treatment. I can be the person I meant to be every day.”
