

A Voice For McLaren Lapeer Techs!

Vote **Yes** for Teamsters Union!

“The Union cares about me, my co-workers and our families. They fight for and support us professionally and personally.”

“Through Collective Bargaining my Union secured higher wages and better benefits. This even trickles down to non-union workers sometimes because of the need to compete for job talent. They protected me from being fired for any reason. These CBA’s are secure, our “Bible” of the work place and set the guidelines for fair treatment.”
